

# Corporate Responsibility at AstraZeneca Canada

## OUR COMMITMENT

At AstraZeneca we are deeply committed to making a meaningful difference in the lives of people and the communities in which they live.

### PRIORITIES

#### ADVANCING PATIENT HEALTH

We support programs aligned to our core therapeutic areas that increase disease awareness, improve health literacy, and empower patients to manage their health.

#### SUPPORTING HEALTH SCIENCE LEADERSHIP

We support leading Canadian research, building knowledge of disease, advancing personalized health care and working to improve patient health.

#### DRIVING HEALTH & SCIENCE INNOVATION

We support STEM education to inspire the next-generation of scientists and problem solvers.

#### INVESTING IN PREVENTION FOR ADOLESCENTS

We are focused on preventing the most common NCDs through community and school-based programs that empower youth to make healthy choices.

### AZ TOTAL GIVING IN 2015

#### Volunteer Investment Program

We recognize and support the volunteer and giving activities of our employees, from matching gifts to volunteer grants to release time for overseas volunteering. In 2015, our employees volunteered more than 4,700 hours in personal time.

## CANADA'S HALLMARK INITIATIVE

Part of the AstraZeneca Young Health Program

**Increasing Our Focus on Vulnerable Youth**  
In 2015, we launched AMB 2.0, a 3 year project to evaluate the effectiveness, accessibility and impact of this school-based public health intervention and increase uptake in more vulnerable communities. [www.atmybest.ca](http://www.atmybest.ca)

**Total Students Reached Each Year:**

### GLOBAL

#### YOUNG HEALTH PROGRAMME (YHP)

Since 2010, we've reached over 1.2 million young people in 18 countries, helping prevent non-communicable diseases.

#### HEALTHY HEART AFRICA (HHA)

Launched in 2014, HHA aims to support local health systems in Africa by increasing awareness of hypertension symptoms and risks.

#### BREAST CANCER IN AFRICA/CAMBODIA

We support global programs that help raise breast cancer awareness, increase early diagnosis, and improve access to treatment in Africa and Cambodia.
